STEEL FACE BALL PEEN HAMMERS

Steel face ball peen hammers have power from within through the movement of hundreds of steel shot for maximum power and control. Steel canister, with steel shot, and steel handle are completely encased in polyurethane, which is oil and chemical tolerant.

Item Number	Head Weight	Head Length	Overall Length	Face Diameter
CCBP26	20 oz	4.187" / 106 mm	12.5" / 317 mm	1.25" / 31mm
