pH CUBE

Tough, all steel construction
Bright LED display
Manual controls
Easy to use
Choice of 3 colours
(Red, Blue and Silver)

The pH Cube meter is a compact benchtop unit which is perfect for education and laboratory use.

The pH Cube provides accurate and reliable measurements of pH, ORP and temperature, and is simple and very easy to use.

MODE	RANGES	RESOLUTION	ACCURACY
Temp	-10.0 to 120.0°C	0.1°C	+/-0.2°C
pH	0.00 to 14.00	0.01 pH	+/- 0.01 pH
ORP (mV)	0 to +/-1999mV	1 mV	+/-1 mV
Input Impedance	> 3 x 10 ¹² 10 Ω		
Asymmetry Range	-1.00 to +1.00 pH		
Slope Range	85 to 105%		
Temperature Compensation	0 to 100°C Automatic or Manual		
Environment	0 to 45°C temperature 0-90% R.H.		
Dimensions	123 x 123 x 123mm		
Weight	850g		
Power	12V DC 200mA via AC/DC adaptor.		

CERTIFIED

ISO 9001:2015
